Start-up fee to change Certificate ¹⁾	500 include one item (1-4)
1. Adding Sales Names ²⁾	250 per Sales Name
2. Adding Type Designation Keys ³⁾	0 (or 250) per Type Designation Key variant
3. Adding Critical Component(s) ⁴⁾	0
4. Upgrade Displays to Media	500

Discount (*discount offers cannot be combined*)

- If paying in advance for 10 Certificates of one Product Category the 11th application will be free.
- When applying for two Certificates for one Product the Certificate with the lowest fee will be discounted by 50%.
- Annual and updating fees for products with two Certificates are discounted 50% on the lowest fee.

Upgrading⁵⁾

- TCO'99 certified displays can be upgraded to TCO'03 for EUR 2850 (50% discount)
- Any display certified with TCO'03 or TCO'06 can be upgraded to TCO Certified Displays for EUR 2850 (50% discount). During 2009 this price will be reduced to EUR 950.

Annual fee

TCO'99, '03 and '06 Certificates are valid for 3 years, TCO Certified Displays for 2 years and TCO Certified Edge Displays is valid one year. After that period, the Certificate can be extended subject to an annual surcharge of EUR 1700 for TCO'99 and EUR 1900 for TCO'03, TCO'06, TCO Certified Displays and TCO Certified Edge Displays.

New customers

For new customers TCO Development requires advance payment up to a limit of EUR 10 000. Once the limit is reached advance payment is no longer required.

Comments

- ¹⁾ This is the minimum start-up fee for any change in a Certificate. It includes one Sales Name or Type Designation Key and addition of one or more Critical Components and updating of Eco Info.
- ²⁾ All Sales Names of the Product used in marketing must be registered on the Certificate and reported to TCO Development.
- ³⁾ Type Keys will not be charged as long as the combinations are less than the amount of Sales Names. Type Designation Keys describing cabinet colour or countries where the Product is sold will not be charged.
- ⁴⁾ If Critical Components are changed or added to a Certified Product (LCD panel, pivot stand, AC adaptor, etc) the Company must apply for an update of the Certificate. Normal certification procedure, as described in General Terms, is applied.
- ⁵⁾ The validity for an upgraded Certificate will be the same as the original but at least one year from the upgrade.
